IEEE SWEAT 2024

Symposium-cum Workshop on Emerging AI/ML Trends

28 June, 2024 | Bangalore

About Event

The Symposium-Workshop on Emerging AI/ML Trends (SWEAT-2024) aims to explore and discuss the latest developments and applications in the fields of Artificial Intelligence (AI) and Machine Learning (ML). This event will provide a platform for researchers, industry professionals, and academics to exchange ideas, share insights, and foster collaborations. Participants can expect engaging presentations, interactive discussions, and hands-on workshops that delve into cutting-edge technologies and their real-world impact. The SWEAT serves as a valuable opportunity to stay abreast of the rapidly evolving landscape of AI and ML, ultimately advancing knowledge and innovation in these transformative fields.
