Invitation for Inauguration

Dr. Shobha spoke on the importance of having joined a vast forum such as IEEE and its benefits.

Dr. Kiran Gupta enlightened us about the soft skills development which is a part of organising events and conferences under IEEE-DSCE Student Branch.

Alope Das provided valuable insights into recent CEDA events, highlighting notable activities such as the SWEAT workshop. He also elaborated on the applications of Electronic Design Automation (EDA) and discussed the broad scope and impact of EDA in various industries. His talk underscored how EDA tools and methodologies are essential for advancing electronic design and innovation.
