

# **CALL FOR PAPERS**

## **DEADLINES**

April 14, 2025
Abstract Submission Deadline

April 21, 2025
Paper Submission Deadline

**April 21, 2025** 

Proposal Submission Deadline for Workshops, Tutorials, Special Sessions, Panels

June 6, 2025

Notification for Workshops, Tutorials, Special Sessions, Panels

June 30, 2025
Notification for Regular Papers

August 14, 2025

Camera-Ready Paper Submission

**August 14, 2025** 

**Author Registration Deadline** 

## **CHAIRS**

### **General Chair**

Robert Wille robert.wille@tum.de

**Program Chair** 

Deming Chen dchen@illinois.edu

Jointly sponsored by IEEE and ACM, IEEE ICCAD is the premier forum to explore new challenges, present leading-edge innovative solutions, and identify emerging technologies in the electronic design automation research areas. IEEE ICCAD covers the full range of CAD topics – from device and circuit level up through system level, as well as post-CMOS design. IEEE ICCAD has a long-standing tradition of producing cutting-edge, innovative technical program for attendees.

#### **COVERED TOPICS**

Original technical submissions on, but not limited to, the following topics are invited:

- · System-Level CAD
- Synthesis, Verification, Physical Design, Analysis, Simulation, and Modeling
- CAD For Emerging Technologies, Paradigms

More details on the covered topics and the submission process will be provided through a full Call for Papers in the near future.

### **CALL FOR PROPOSALS**

In addition to presentations of technical submissions, IEEE ICCAD will also cover

- Workshops
- Tutorials
- · Special Sessions
- Panels
- Keynotes

More details on how to submit a proposal will be provided in the near future.
