

BEST PAPER AWARD of the IEEE CEDA Spain Chapter

The Spanish Chapter of IEEE CEDA opens a **Call for Best Papers** aimed at promoting young researchers.

PRIZE

The IEEE CEDA Spain Chapter will sponsor the award with **500€**. A certificate will be awarded to the authors at the DCIS conference in 2019.

BASIS for JUDGEMENT

General quality, originality, contributions, subject matter, and timeliness. The papers will be evaluated and ranked by a committee of three independent experts.

ELIGIBILITY

- The paper must be within the scope of IEEE CEDA (<https://iee-ceda.org/pages/about-ieee-council-electronic-design-automation>) and published in an IEEE journal.
- The paper must have been published within the 2 calendar years prior to the nomination deadline for this award.
- At least one of the authors must be a PhD student or have obtained the PhD degree less than 2 years before the paper submission date. This author must be affiliated with a Spanish academic or research center.

NOMINATION INFO

- Full paper data.
- Current affiliation and addresses of all authors.
- A one-page summary highlighting originality, new research contributions and timeliness of the paper.

All information must be sent by e-mail to IEEE CEDA Spain Chapter:
ceda-spain@imse-cnm.csic.es

NOMINATION DEADLINE IS DECEMBER 31st, 2018
